FAIR USAGE POLICY

This Fair Usage Policy should be construed as an integral part of Tradedoubler's Terms for Grow Affiliate Marketing Network ("Terms").

Monthly fair usage (per program):
- Clicks: maximum 100,000
- Banner impressions: maximum 1,000,000
- Creative store and serving bandwidth (banners/graphic ad material): maximum 1GB
- Maximum 60 requests a minute to our APIs

All usage is subject to periodic volume reviews and Tradedoubler reserves the right to limit or regulate the volume of usage where there is evidence of continuing excessive usage.
If Tradedoubler has reason to believe that any of this policy is not being observed Tradedoubler reserves the right to apply additional charges.
